NUMBER 24

STEVENSON VICTOR IN FEDERAL COURT

YOEMEN PICKED TO WIN DISTRICT 21-A FOOTBALL TITLE

BAND MARCHING CONTEST HERE OCTOBER 30

Publisher of The Herald, summoned to the Commissioners Court late Thursday, heard a limited explanation of the court's side of the conditions at the Prison for the Poor.

The Court refers to the place as the Milam County Home. It sort of mitigates the awful stigma. Reminds me of how Dr. Cervitus was shot. They permitted him a blindfold so he could not see the firing squad.

The Court's side has to do with dollars, not human need in that sense they will "exceed the budget" very much to relieve suffering.

I found three of the Commissioners reading a copy of The Midget, just off the press. Another copy was on the table and some figures were pointed out. We had made a mistake in listing a number of items accredited to the coming budget. A correction will be found in another column.

The court was most kind to an erring publisher and I enjoyed my brief visit. Conn Isaacs went to his office and got some figures and the case of the Court, in part was outlined. Present were Judge Dan Tyson, W. W. Markham, C. S. Raney, T. F. Locklin and Byron Neal.

Commissioner Locklin obliged me with a pencil with a funny gadget in the top and I wrote down what they told me. Commissioner Raney asked the Auditor to tell me that the county spent around \$500 each to maintain the inmates at the farm in 1947. The total budget would indicate that, except that not all of it went to the individuals. There were some extras but in the main it did cost the tax payers \$5000 to keep their bodies and souls somewhere within hollering distance.

Mr. Isaacs looked very efficient when he began reading those figures. This was to clarify the mistake we had made. The items credited to the 1949 budget were in reality expenditures already made. Mr. Isaacs had a complete break down of the budget but here are some of the principal items, already paid for this year out of the 1948 budget: Clothing \$91.64; utensils \$2.90; shoes repaired \$5.35; wood, wood chopping and hauling \$233.13; gas \$67.90; lights \$74.76; water \$43.75; drugs \$19.15; soap, tobacco and snuff \$67.07; miscellaneous \$47.30. It is important to understand this money has already been spent and came out of the 1948 budget and has nothing to do with the 1949 budget.

I was told that Judge Tyson had not mentioned the matter of the Budget. We had just made a plain mistake. "Just leave the judge out of it," said Commissioner Raney.

Commissioner Markham asked me if I had forecast the score in the Cameron-Caldwell football game for Friday night. I told him that I had not and that in predicting the outcome of the Cameron-Burbank game I had been a little too far down in that gopher hole, in fact had sunk down to the level of the community. Everybody looked sort of bored.

Actually the county spent \$80.99 over the budget for the "Home" in the 1947 period. It cost the tax payers \$5080.99 to keep the poor on the farm out of the 1947 year budget. We got to keep those budgets separated. Now, the 1949 budget was adopted in August of this year as provided by law. So in August 1948 the budget for 1949 was adopted. There is no way to help the poor more than is already provided. The county issues a notice each year that the budget will be read and publicly heard on a certain day. If you didn't go you don't have (turn to page twelve)

JURISDICTION ISSUE SETTLED WEDNESDAY

Coke Stevenson won the first round in the federal court proceedings in Fort Worth Wednesday morning when Judge Whit Davidson ruled that the court has jurisdiction in the election suit.

Lyndon Johnson attorneys contended that the court is without jurisdiction. Judge Davidson twice on Tuesday over-ruled a motion by Johnson attorneys to dismiss the suit.

With the ruling that the court has jurisdiction trial will proceed. There was no way to tell how long the case would be under trial. It was announced at noon that Stevenson attorneys planned to begin testimony before the court to prove fraud in the elections held in certain south Texas counties, notably Jim Wells where he alleges the box was stuffed with 200 votes for Johnson.

Many are confused over federal court action in a primary election case. The law is new, only about 2 years old and is known substantially as a civil liberties bill.

Johnson is only the party nominee by certification. He has not been elected and until someone is elected the U S Senate would hardly rate jurisdiction.

Judge Davidson in an off the record suggestion, said he wished both sides would agree to have names placed on the November ballot and let the people settle the matter. Stevenson said he would agree but there was no indication from Johnson since he has been certified as the result of official returns from the August 28 primary.

In Brown county 1700 votes were thrown out because election judges failed to write their names on the back of them as prescribed by law.

Lyndon Johnson's attorneys have said that in Brown county enough Stevenson votes were thrown out to give Johnson a much larger majority than he now has, even though the 200 Jim Wells county votes are not counted for him.

November election ballots will soon be in the hands of printers and the U. S. Senate race will have to be decided by a write in provided the litigation delays the case too long.

BELTON WOMAN HURT IN CAR CRASH HERE

Mrs. Eula Safley of Belton narrowly escaped death Thursday afternoon near Pettibone on highway 36 when her car was overturned.

Mrs. Safley sustained a fractured hip and other injuries. She is in St. Edwards Hospital.

Sheriff Carl C. Black went to the scene of the wreck. He said that Mrs. Safley's car skidded on loose gravel and left the highway and was overturned in a ditch.

Mrs. Safley, sister of former State Senator, Roy Sanderford of Belton, was on her way to Lake Charles, Louisiana. She was driving a 1949 Ford. She was thrown clear of the machine. An ambulance was summoned and she was taken to the hospital.

MRS. W. C. MOODY IS MILAM HOME AGENT

Mrs. W. C. Moody of Minerva has accepted appointment by the Commissioners Court as Home Demonstration agent for Milam county.

Announcement of her appointment was made late Monday. She was named at the meeting of the court here on last Thursday.

Mrs. Moody is an experienced Home Demonstration agent. Before her marriage she was an agent in an adjoining county and was very successful in the work. She is also a former District Clerk of Milam County.

The Home Demonstration Council protested the action of the court in failing to increase pay to retain Miss Ezelle Jones who resigned to take a similar place in Bell County.

The Council will meet in Rockdale Wednesday. Mrs. Moody whose appointment becomes effective September 22, will attend the meeting in Rockdale.

Relatives and friends have received announcements telling of the arrival of a seven pound and five ounce son born to Mr. and Mrs. W. T. Hefley, Jr., at Austin, August 29, 1948, who has been named, William Marshall Todd Hefley.

MAIL ROBBERY TUESDAY

THIEVES PILFER BAGS AT SANTA FE STATION

Mail sacks in the baggage room at the Santa Fe Station were robbed early Tuesday morning, it was disclosed here to-day by Sheriff Carl C. Black.

W. DuBois, Santa Fe Agent, told the Daily Herald that the sacks in the baggage room, were slit with a knife and contents scattered about the entrance. The sacks were near the door of the baggage room and since there is no evidence that the door to the baggage room was entered, the thieves are believed to have reached through a small opening or under the sliding door, ripped the sacks and pulled the contents outside the door.

A glass window in the negro waiting room had been broken but this may not have had anything to do with the robbery since no entrance to the baggage room could be gained in this manner.

The robbery was discovered by T. C. McLeod who goes on duty at 1 a. m. There was no one on duty at the station after the early evening force went home until the early morning duties performed by McLeod.

Packages in parcel post shipments were found as far away as the small

park site surrounded by shrubbery. One box contained a pair of shoes valued at \$15. The box was found and the shoes missing. The thieves also rifled a parcel post package containing bill folds and belts destined locally and made by the tannery at Yoakum. False teeth mailed by Dr. James Watson, Cameron dentist, were found in the small parksite.

There was no way immediately to estimate whether the thieves took other mail, including letters. Ernest Paschall, special agent for the Santa Fe, was here early Tuesday from his offices in Temple to investigate. Local officers were also on the job.

10435 BALES COTTON UP TO SEPTEMBER 1

Milam county had ginned 10,435 bales of cotton up to September 1 it was reported by R. W. Upshaw, special agent for the Department of Commerce.

This is the first report to be received by The Herald for publication.

The report reveals that almost three times as much cotton had been ginned from the 1948 crop to September 1 as compared to the same date in 1947.

On September 1, 1947 the county had ginned only 3399 bales.

MARCHING CONTEST TO BRING 25 BANDS HERE

Region three high school band marching contest will be held in Cameron on Saturday, October 30, it has just been announced by Francis Cox, band director at Yoe High School.

The marching contest is officially sponsored by the Texas Interscholastic League. Mr. Cox says it is the first such event since the end of the late war.

The region to participate in the contests here is made up of 15 counties from Dallas north and south to Williamson. Bands from each county and perhaps more than one from a county, should be here for the contest.

Mr. Cox estimates that some 25 bands will be here. These bands fall into a number of classifications AA-1, A, B, C, and E. Judges for the contest have been selected from among leading band men of the state.

Commenting Mr. Cox said:

"Each band in the marching contest will perform certain required military maneuvers for the judges, plus anything else original that can be done in the time limit set for each band on the field. In judging the bands on the field, the judges use a pattern which makes no use of the old 'first place', 'second place' ranking, but each band is rated against a standard of perfection, thus setting up grades of 'first division', etc. Thus the bands compete not against each other but against a set standard. More detail on these technicalities will be given later."

BRENHAM BRINGING GOOD TEAM TO CITY

Lief Erickson's Brenham Bulldogs are good, so advance information indicates.

The Brenham team will be here Friday night for Football's 1948 inaugural on Yoemen field.

Brenham has played two games They have not been scored on. They are a passing team, Cameron defeated Brenham in 1947 in Brenham but had all kinds of trouble.

Out at Yoemen stadium Coaches Leo Jackson and Dick Young are putting their charges through a rigorous routine of practice, stressing every known defense and offense. It should be a bang up ball game and should bring one of the largest crowds in the history of the local school.

Bob Wilkinson, left end for the Yoemen, has been able to get out and exercise some. His left shoulder is coming around and he may be able to get in the game Friday.

Fans are getting in the groove over the 1948 Yoemen. They look like repeaters in the District race. They are rated the Number one team in Class A in Central Texas.

Barring injuries the team should go places. There is a serious shortage of reserve men and this will count heavily against the Yoemen when the going gets hard later on in the season.

Team spirit is high. The backfield is as good as the 1947 team and a lot faster. The line under Dick Young is performing miracles.

Cadet H. H. Stedman Enters Boonville, Mo., Military School

BOONVILLE, Mo., Sept. 16—Cadet H. H. Stedman, son of H. H. Stedman, 605 East 23rd St., Cameron, has enrolled in Hemper Military School at Boonville, Mo., for the 1948-49 school year and is engaged in a co-ordinated program of academic athletic, and military activities. He is attending one of the oldest military schools in the Middle West as Kemper begins its 105th academic year.

YOEMEN ARE PICKED BUT NOTHING CERTAIN

Sports writers generally toy with the fancies of football fans and make distracting predictions about who will finish in what and where at.

Since the matter is open for comment and speculation The Herald figures it might as well get on the limb too. Big Wigs who "once shook the hand that," are settling the Southwest Conference race early. It's Texas, of course. How much of the bee is in that sort of thing can be speculated about. They may be gold in them thar hills but they's a lot of rough road between here and thar.

We pick Cameron to win the 21-A District title again. That would make it 4 years in a row. Right now the Yoemen are rated No. 1 in Class A in central Texas. The road is rugged from here on. There is nothing very certain about the outcome. We pick the Yoemen solely on the analysis that the district this is wide open. There are no outstanding teams.

The Yoemen as a guess for first place must be qualified some because the team has no reserve strength. Fans have been buoyed up some by the early season showing. The boys, (turn to page six)

21 Cases Filed Over Week End By Officers; Drunks and Fighting

Officers here had a busy time over the week end. In all there were 21 cases filed, three in city court and 18 in Justice Court.

The city court cases were all for drunkenness. In justice court they varied, some for drunk, some for disturbing the peace and one for aggravated assault and one for carrying a pistol and reckless driving.

The main show occurred in the Black Belt where negroes were enjoying a dance at "Greta's" place. Richard Bailey, negro was taken to Newton Memorial after he had been slashed with a knife. Willie Holloway was placed under arrest and has been charged.

Warren Lockhart, white man, of Caldwell and employed in Cameron is facing charges of reckless driving and carrying a pistol.

Lockhart was arrested Saturday afternoon. The negro celebration broken up by the knife incident, occurred Saturday night.

Mr. and Mrs. Frank Reid and daughters spent the week end with his brother, Mr. and Mrs. Phillip Reed and family in Dallas.

Rural Back Woods Counties Get Run Around At Austin Says Cantrell; That Is Why Texas Rural Roads Association Was Organized

DALLAS, Sept. 20—"If we don't get the Texas back country out of the mud all the rural population is going to pack up and move to town," said James C. Cantrell, president of the Texas Rural Roads association, here today.

Cantrell, McKinney banker, spoke at a convention of the County Judges' and Commissioners' association of Texas.

"In Collin county there are now some 22,000 fewer people living in rural sections than there were in 1900," Cantrell declared.

"Rural roads are the No. 1 political problem in Texas today. And it's going to take more than \$20,000,000 to solve this problem."

Governor Beauford Jester earlier had told the convention that "I shall recommend to the 51st legislature that a appropriation be made in the amount of \$20,000,000 from the surplus funds in the general revenue for the construction of all-weather school bus roads."

MORE MONEY SOUGHT FOR MILLER SPRINGS

WASHINGTON, Sept. 21—Rep. W. R. Poage, 11th district, was assured by army engineers today they are requesting the Bureau of the Budget for "a sizeable sum" in next year's budget to add to the funds already appropriated for building Miller Springs dam.

The hearings with bureau chiefs are now under way at the Budget offices.

Poage, realizing this, took the opportunity to remind army engineers and Budget officials of the worth of the project.

Construction of the dam has not begun although \$500,000 was appropriated by the last congress.

Contracts for the work will probably not be awarded until the first of next year, Poage said, for two reasons. Army engineers who have been taking core drills for a dam site say they have been running into caves. The other reason is that they want to get sufficient funds on hand so that when the work once starts it need not be stopped. That is uneconomical and troublesome, they say.

MEXICAN COMMITTEE GENEROUS IN PRAISE

The Cameron Daily Herald is privileged to-day to carry an important expression of thanks from the Mexican Colony officials.

Friday afternoon, three officials, all identified with the Committees set up here in company with W. J. Rice, were welcome visitors in the office of the publisher. They came not only to thank the people of Cameron, but also to express their appreciation to these newspapers for their share in the recent Good Neighbor Program.

Victor M. Bermudez, as spokesman, requested The Herald to express through its columns, the gratitude of the Mexican people for the generous share the citizens generally had in dedication ceremonies Saturday, September 4 of properties recently improved by the Colony. Also they expressed appreciation for the cash contributed by business men. J. B. White, the publisher was treasurer for the fund of several hundred dollars.

Present for the expression of thanks were Estanislado Villo Nueva, President of the Honorary (turn to page six)

Jester said "the common goal is to take the rural areas of Texas out of the mud once and for all."

Texas is a long way from getting out of the mud, the president of the American Institute of Local Highway Administration said at the convention He is A. J. Thelan of Madison, Wis.

He said Texas ranks near the bottom among the states in the matter of all-weather rural roads. Only 33 per cent of Texas' secondary roads are hard-surface, he said, as compared with 83 per cent in Wisconsin.

"Bad country roads are a city problem, too," Cantrell said. "These muddy roads are big factors in causing milk for Dallas to be in short supply."

Cantrell said the Rural Roads association was formed "because we've been getting the run around in Austin."

The Rural Roads association was organized by the County Judges and Commissioners' association, by the Texas Association of Rural Letter Carriers and several other groups.

Gets The Call

WENDALL MITCHELL

Wendall who starred on the B squad last fall has come up to the varsity this year and Coach Jackson says he is due to be one of the all time great. He is listed as a guard. He played good football against Burbank in San Antonio Saturday night. Mitchell will take over the right end spot against Caldwell Friday night. The regular right end, Bob Wilkinson, is out with a dislocated shoulder.

J. M. Fuller of Buckholts was a Cameron visitor Wednesday.

POOR FARM PETITIONS ARE REFERRED TO COURT

The minutes of the Commissioners Court at the Thursday session records a paragraph stating that the matter of the County Home referred to in petitions was heard and the matter referred to the court.

The court was to continue in session Friday and no action was taken other than to receive the petitions and the protest and refer them to the court.

It was expected that at its Friday session the court might give the matter consideration and possibly take some action. Other matters pending may have to be disposed of since considerable time of the court was taken up with the delegation.

In the afternoon a petition was drawn to be circulated for signatures of 10 per cent of the voters who voted in the last November general election. These petitions call for a county wide bond issue of \$50,000 to construct Poor Farm buildings and improvements.

Jamie L. Clark of San Gabriel was to sponsor the petitions along with Homer Allen and others. The petitioners will ask the court to call an election, the ballot to be voted on the same day as the general election on the first Tuesday in November.

TRUMAN SAYS WE WILL NOT LEAVE THE CITY

One person was killed and 22 were wounded as Russian military personnel opened fire on a crowd of Germans protesting the armed overthrow of the newly elected city administration in Berlin.

Newspaper correspondents swarmed about President Truman in Washington Thursday and made pointed inquiries. The President said "We will not be pushed out of Berlin." Mr. Truman also said recently that we would not negotiate with the Russians under duress.

Secretary of State Marshall in a recent statement said we will be firm. Meanwhile the Reds were carrying out vast military war games on land, sea and air.

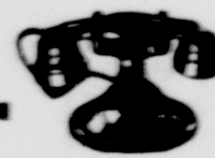

Conditions were getting worse hourly in the German capital. The whole picture has worsened with no agreements anywhere and now a shooting campaign to emphasize that the Russians seem determined to run all Western Power forces out of Germany.

It was no secret that official Washington was worried. It was becoming increasingly evident that a climax will be reached soon. The German people were losing their patience and war may break out at any time and in that case the United States would be involved if we stay in Berlin.

Mr. and Mrs. Paul Lange and son Raymond spent Sunday in the L. G. Schiller home in Buckholts. Other guests for the day were John Schiller and family and Mr. and Mrs. Emil Kaminsky.

Mr. and Mrs. Emil Laniack and son of Clarkson spent Sunday with Mr. and Mrs. Edwin Reynolds of Cameron with parents, Mr. and Mrs. N. D. Fuller and other relatives.

Questions and Answers about the Telephone Company's Request for Higher Rates in Cameron

Q. Why is the telephone company asking for higher rates for Cameron?

A. Because Cameron rates are too low to bring in enough revenue to pay the cost of furnishing the service.

Q. Is the telephone company operating the Cameron exchange at a loss?

A. Yes. During the last six months of 1947, expenses of operating the Cameron exchange were \$11,589 higher than revenues collected for service here. The company collected \$19,366 in this period, but costs of furnishing service were \$30,955.

Q. How about telephone costs? Are they up much?

A. Yes. The cost of everything that goes into furnishing service is higher. Trucks cost 50 per cent more than in 1940. Copper is up 80 per cent. A 35-foot pine pole that cost \$6.30 in 1940 now costs us \$14.99.

Q. How much is the telephone payroll up?

A. The telephone payroll in Cameron is more than three times as high as it was seven years ago. The growth of Cameron has made it necessary that we hire more people to handle the larger volume of calls, and in addition wage rates have gone up.

Q. How long have Cameron's telephone rates been in effect?

A. Present rates for telephone service here were established in 1920. At that time Cameron had less than 750 telephones as compared with 1,415 today. The scope and value of the service has increased greatly in the past 27 years with no increase in rates.

Q. With so much more business, isn't the company's revenue much higher than it was a few years ago?

A. Telephone revenues have increased, to be sure, but expenses have increased much faster. Since 1924, the earliest year for which figures are available, local telephone revenues have increased 74 per cent, but expenses during the same period have gone up 236 per cent. Despite the fact that we have 535 more telephones than in 1941, and are handling a greater volume of calls than ever, the telephone system here is being operated

each month at a loss. Rates established 27 years ago will not bring in enough revenue to pay present costs of furnishing service.

Q. Would it be possible for the telephone company to cut corners and reduce expenses?

A. The telephone company takes advantage of every possible operating economy to keep rates low without affecting the quality of the service. Through these economies and advances in the telephone art we have been able to furnish more and more telephone service here without increasing rates. The telephone company is proud of its record of not having increased rates during these 27 years, although the telephone system here has nearly doubled in size and the cost of virtually everything that goes into the furnishing of service has risen sharply.

Q. What does the rate increase amount to?

A. Briefly, for party-line customers, the new rates represent an increase of less than a cent a day, and less than 2 cents a day for residence customers with private lines. Business telephones will cost 5 cents a day more. Charges for various auxiliary telephone services will be increased in relation to higher costs of furnishing these services.

Q. What are the telephone company's expansion plans for Cameron?

A. The telephone company will continue to enlarge the telephone system here as rapidly as possible to provide service for more than 50 families who are now on the waiting list.

The program in Cameron during 1948-1949 includes installation of two more sections of local switchboard and 200 subscribers lines in the central office here, expansion of the network of lines and cables in every section of the city, construction of rural facilities as soon as lines and cables are available, to provide telephone service for 150 more families living near Cameron.

Four additional long distance circuits should help speed Cameron's calls to other cities. Two of these, from Cameron to Austin already are in operation. Two additional direct circuits are scheduled to be added before the end of the year, one to Houston and one to Dallas.

FARM BUREAU MAKING PROGRESS IN MILAM

The Milam County Farm Bureau held its first county wide get together at National Hall, Thursday night, September 16 with five hundred people present.

Milam County Farm Bureau President S. W. McClaren opened the meeting by introducing Milam County Farm Bureau Queen, Miss Rita Hanel to the gathering, after which

C. G. Colburn gave the invocation. Two rows of tables the length of the hall was filled to over flowing with foods of all kinds. Never saw so much fried chickens, salads of all kinds, ham, sausage, cakes and other kinds of food. Mr. and Mrs. Seth Corley wanted to be sure nobody left hungry and brought a big tub full of dishes filled with delicious foods.

Old Milam County never lets any one leave a picnic dinner or supper hungry. For dessert there was cakes of all kinds furnished by Farm Bu-

reau members and 75 gallons of ice cream furnished by the Farm Bureau. After everybody was too full to be comfortable the tables were cleared and moved back and folk dancing and waltzing started.

LeRoy Massengale called and music was furnished by Bernice Williams at the piano, Cecil Williams with violin and Verne and John Elbert Miller with guitars. A loud speaker was furnished by Bill Arthur and Zeke Brod. Farm families weren't the only ones there. Other Farm Bureau members were Mr. and Mrs. N. L. Caperton and daughter, Betsey, Mr. and Mrs. Jerry Schiller and two daughters, Mr. and Mrs. R. W. Scurlock, Dr. and Mrs. Tittsworth, Mr. and Mrs. B. Ingram of Houston, Katherine Michalka and Camille Faver, and many others.

It was a grand get together and every body had fun.

Who said the Milam County farmers couldn't organize huh? The Farm Bureau will start a membership drive in October to reach its goal of 1000 members by January 1st. The Farm Bureau was organized in '47 with 25 members and temporary officers. Permanent officers were not elected until January of 1948. And the members now number over 350. During the spring membership drive Farm Bureau President Mr. S. W. McClaren alone signed up over 100 members which proves he is on the job as president.

District 8 Farm Bureau meeting will be held in Waco, October 11 and all Farm Bureau members are urged to attend. State President J. Walter Hammond will be present and a district queen will be elected to go to state meeting.

MRS. JAMES ELROD

Football Broadcast Was Canceled But Fans Did Not Know

An announced broadcast of the Cameron-Caldwell Football game Friday night was canceled late Friday but fans here did not know of the decision.

The Daily Herald had made inquiry on Thursday with the view of bringing this information to the people, thinking it would be of interest.

This newspaper will be careful in the future. Since radio stations require local merchants to pay heavily for these broadcasts, it is only fair that the stations find their own way of letting folks know about broadcasts in advance as well as cancellations.

670 Texas Men To Be Drafted For Army In Late November

AUSTIN, Sept. 17 — Lieut. Col. Morris Schwartz, assistant state director of selective service, said tonight a call has been issued for 670 men in Texas under the selective service act.

Schwartz said the induction date has not been finally determined but that it would be some time in November. Texas selective service boards will be called on to give 1,400 men their pre-induction physical examinations sometime in November.

Schwartz said the State Selective Service office has not yet determined from which board and in what numbers the men will be asked in the first call under the new Selective Act. He said he expected to have this information available in a few days.

REDS RAID U S ZONE IN BERLIN THURSDAY

It was open season on Americans in Berlin.

In the face of critical developments in Moscow over the Berlin question, armed Russian forces invaded the American zone in Berlin early Thursday and opened fire on military and civilian personnel.

There were no deaths.

The situation is becoming very grave. Washington politicians were of course restraining the army in Berlin with a continued policy of appeasement. Most Americans are agreed that it is time to start shooting the Russians.

The Yoemen Pivot

GORDON GIBSON

Gordon Gibson, co-captain of the Yoemen this year, displayed in the 1947 season his fitness for the pivot position in the line. He plays center and has demonstrated the kind of line play that will make trouble for all teams this year. It was his fine play against Burbank and Caldwell that enabled the Yoemen to turn back all thrusts at the line. The Yoemen have not been scored on.

Jerry Lanicek spent several days in Cameron and Clarkson with his parents and friends. He formerly worked in South Dakota but recently found employment in Dallas and will attend night school there.

THE CAMERON HERALD

SEPTEMBER 23, 1948

Lynn Skelton has returned to TSCW in Denton after spending several weeks in Cameron with her father, W. B. Skelton and other friends. Miss Skelton is a junior at TSCW.

Mrs. T. K. Chandler, Mrs. A. E. Brogan and Miss Anna Lee Kirk visited Nolan Dodson Sunday who is a patient at Scott & White Hospital in Temple. Mr. Dodson is a son-in-law of Mrs. Chandler.

Mr. and Mrs. Robert A. Casey and son, Bobby of Texas City and Mrs. Billye Casey and son, Billy from Taylor spent the past Sunday with their mother and grand mother, Mrs. R. S. Harris, who has been seriously ill for some time. For quite a while she has been confined to the hospital but is now at her home.

Printing is a home industry.

We want to introduce you to a NEW and BETTER Disc Harrow

When you hook this Dearborn disc harrow to a Ford Tractor, you are all set for Hydraulic Touch Control of the gangs. You take the angle out for turning, or crossing grass and gullies . . . then put the angle in again . . . by moving the control lever right by your tractor seat. You'll disc lot of dirt in an hour . . . nice and level too . . . with either the 6 ft. or 7 ft. width.

Quickly attached by inserting four pins. Sturdy steel angle frame, high carbon heat treated steel discs. Zerolubrication of white iron bearings, protected against dust and dirt. Front and rear gangs leveled by one crank. See it!

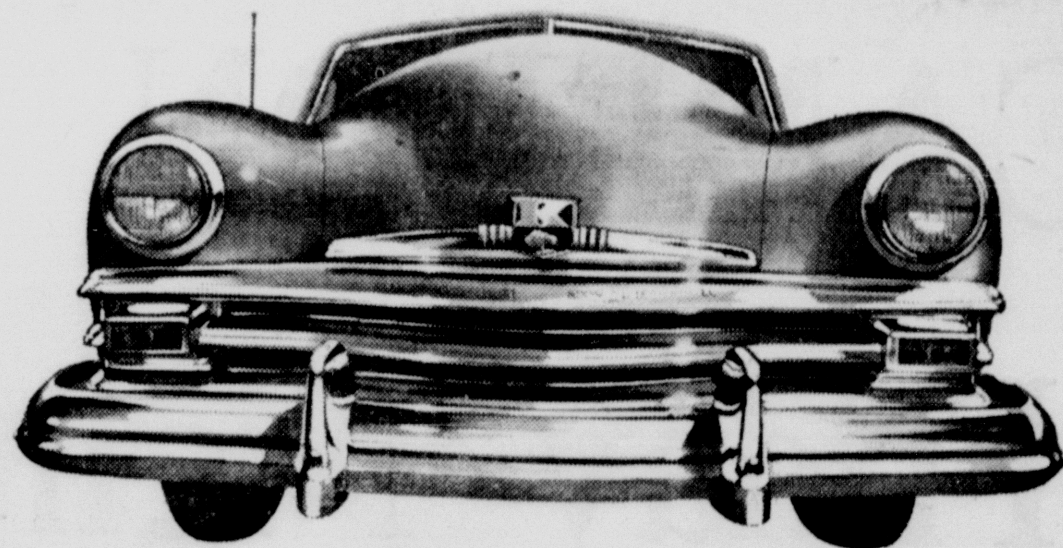

Genuine parts and expert service on all Ford Tractors and Dearborn Farm Equipment.

MORE AIR TRANSPORT SENT INTO GERMANY

The Russians will not lift the blockade of Berlin.

This was the inevitable conclusion of newspaper men in Washington following a press conference with Secretary of State Marshall.

Mr. Marshall said he had received a report from Bedell Smith, the U. S. Ambassador to Moscow, but would make no comment. The Secretary of State was pessimistic and will leave shortly for Paris.

The army is sending 40 more

transport planes to Germany to reinforce the air lift to fly food to the German people cooped up in the Russian controlled city.

In London a new note of warning was sounded by Foreign Secretary Ernest Bevin who said that Russia is planning to seize a large area of Southeast Asia.

Anthony Eden, conservative leader, said that Communist inspired uprisings in Burma and Malaya were a part of the world conquest and unless the Red march is stopped world chaos is certain to ensue. The British Empire, he said will put down any aggression anywhere in the United Kingdom.

INSTALLMENT BUYING GOES UNDER CONTROL

WASHINGTON, Sept. 19—Installment buying returns to federal control tomorrow.

Down payments and length of time to pay will be governed. Ordinary charge accounts won't.

Most consumer goods costing \$50 to \$5,000 are covered.

Easy payment loans are timelimited.

It is an anti-inflation step taken by congress. President Truman said it is only "a tiny fraction" of what is needed.

The Federal Reserve Board made the rules. There are criminal penalties, and the board also has the power to put a violator out of credit business.

Here are the terms:

After down payment, 18 months to pay if the balance exceeds \$1,000, 15 months if \$1,000 or less.

One-third down on automobiles.

Twenty per cent down on cook stoves, dishwashers, ironers, refrigerators, washing machines, airconditioners, radios, phonographs, television sets, sewing machines, vacuum cleaners, furniture and rugs.

Personal loans of lending houses must be repaid within 15 to 18 months, depending on the size.

Exempt from credit controls are medical, dental, hospital, educational and funeral expenses; loans for real estate and home improvement; loans to pay for fire and casualty insurance business or agricultural loans; credit to dealers who buy goods on resale; loans to federal, state or local governments, or to religious, charitable and educational organizations.

Paul Brown Says Johnson's Name Will Be Certified

Secretary of State Paul Brown said in Austin at noon Thursday that the November ballot will be mailed to County Clerks Saturday on schedule and that the name of Lyndon Johnson will be on the ballot unless federal court restraining order is received before that time.

Coke Stevenson had obtained an injunction in federal court in Fort Worth seeking to retain both the Party Chairman and Secretary of State from certifying Johnson's name.

B. L. Ingram of Houston Visiting Here; Old Resident

B. L. Ingram of Houston, a former resident here, is spending a few days vacation this week visiting his brothers, Lamar, Willis, Abner Ingram and Wyatt Miller.

Mr. Ingram retired from the Houston police force in February this year after 27 years of service. He was one of the best known and most popular members of the force.

Mrs. Ingram was born and reared in Longview. They agreed some time ago that he would continue with the police department through 1947 and then he was to retire. The long service has earned him a pension, although he is still a young man.

Since quitting his post he has been offered the place of chief of police at Borger in West Texas but has not made up his mind. He was also offered similar jobs in the Houston area.

Mr. Ingram was spinning a few yarns about old days in Cameron. He began his career here years ago as a Deputy under Constable Chester Huffman.

They plan to leave Houston and friends hope they may decide to come back to Cameron, their old home.

THE CAMERON HERALD

SEPTEMBER 23, 1948

E. C. Crittenden, manager of the Temple District, Southwestern Bell Telephone Company was a business visitor in Cameron this week.

Sgt. James Gibson is spending a 30 day furlough in Cameron with parents, Mr. and Mrs. O. V. Gibson and other friends. Sgt. Gibson is stationed in Lynn, Massachusetts.

Edwin Kohutic of Cameron is ill and a patient in Newton Memorial Hospital.

A group of young people of First Methodist church will go to the new Lakeview Methodist Encampment, Sunday, to visit the grounds where Texas Conference of the Methodist Church is beginning a million-dollar camping project. Hilliard Thomas, teacher in the Senior Department, and Miss Elizabeth Hassler, director of religious education, will sponsor the trip.

Father Ben Holub of Marak was a Cameron visitor Tuesday.

From where I sit... by Joe Marsh

Nicest Compliment I've Had

One of the nicest comments I've received about this column was from an editor in the Middle West I called on. And while I don't like to give myself orchids, I think it illustrates a point.

"Joe," he said, "it so happens I don't agree with everything you say, but I always like to run your column. Because it gets down to earth and talks about the right to disagree. And it only asks for tolerance towards the other person's point of view."

He went on to explain, by way

of illustration, that he never had happened to have a taste for ale or beer. But that when I spoke of the right to enjoy a moderate beverage like beer, well, he was right there with me!

And from where I sit, that's the important thing: not whether you share another person's tastes or point of view—but whether you recognize his right to exercise a free choice in a free land.

Joe Marsh

New ALLIS-CHALMERS

**MODEL
WD**

Of the 17 major improvements built into this tractor, here are three which in themselves place the WD in a class by itself:

POWER ADJUSTED WHEEL TREADS

Power of the engine is used to adjust rear wheel treads to 10 different spacings.

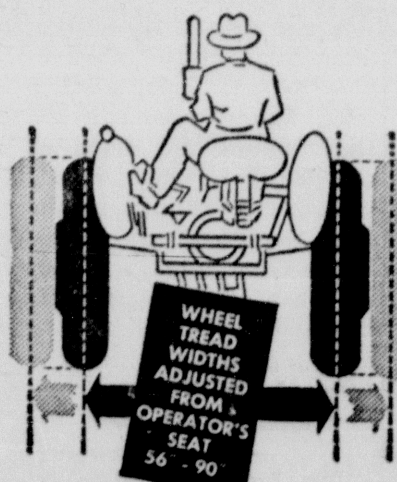

TWO-CLUTCH POWER CONTROL

Two clutches permit continuous operation of power take-off and hydraulic system — independent of tractor motion.

FIVE-WAY HYDRAULIC SYSTEM

Complete hydraulic control of mounted and pull-type implements.

FULL LINE OF IMPLEMENTS. A complete new line of hydraulically-operated, quick-hitch companion implements — both mounted and pull-type — all matched to the power, speed and weight of the WD tractor.

YOEMEN—
(continued from page one)
all save one, Howard Beale, at full-back, came up from the B. Squad but that B Squad was tops in the district and so it was only a short step up to the head table.

Leo Jackson knows very well what he is up against. Now, don't get us wrong. There is nothing wrong with the team. They are going like a house afire but they have not been tested when the chips are down like they will be come October and November. We are stronger and faster in the backfield than in 1947. We are not as good in the line but at that Cameron has the best line in the district.

Guessing the Yoemen to win again is not as easy as it seems. We rate them No. 1.

Close behind the Yoemen are the Rosebud Panthers. The big test as we see it will come on November 12 when they play here. That game, as we see it will decide the championship, that is.

Cameron's schedule favors the Yoemen. Beginning with October 15 they play five games here straight ahead. They are Taylor, Killeen, Rockdale, Belton, Rosebud, and the Waco Kittens. Waco and Rockdale are not conference games.

The Yoemen are going to have trouble with Taylor, Killeen and Rosebud.

We rate Taylor third in the district. A new Duck team but a fast one and they are coming along pretty fast. No. 4 is Killeen in our book. Those Kangaroos are getting tougher every day but they can hardly beat Taylor or Rosebud or Cameron. Belton is No. 5 and the hapless Eagles at Georgetown are in the cellar or in 6th place to finish. Just what is wrong at Georgetown nobody seems able to figure out.

In picking the Yoemen to win there are number of factors that could relegate them to third or fourth place. This has made us a bit nervous and we hope fans will forgive us for not being too sure about anything.

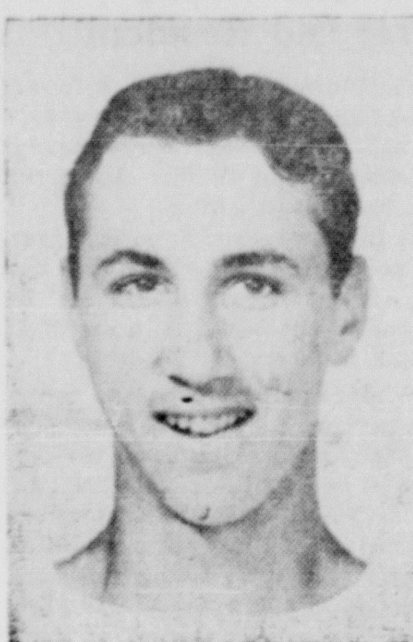

Baptist Make Drive For Buckner Home

Milam County Baptists are co-operating with the other Baptist churches in a special drive for the benefit of Buckner Orphan Home announced Mrs. John A. Smith, Sr., Associational W. M. U. President.

The drive in September will accept new or used garments for children of all ages, household linens and other articles suitable for a home. Money is also acceptable.

Mrs. O. L. Kidd is benevolence Chairman of the local drive and Mrs. A. H. Halberdier is Chairman of Community Missions among Milam County Baptists.

Sparks Fine Attack

JOHN MATULA

Co-Captain of the Cameron Yoemen this year, Matula, a 140 pound half back, is sparking a fine ball carrying attack and has been a standout in the two games played this year. He accounted for one of the touchdowns against Caldwell on Friday night and in addition made a 60 yard run for another talley only to have it called back on account of a rule infraction.

Injured In Practice

BOBBY WILKINSON

Wilkinson, first string right end for the Yoemen, was injured Tuesday afternoon in practice at the stadium. His left shoulder was dislocated. He will not be able to play Friday night in Caldwell against the Hornets. Fans are re-assured that Wilkinson has not suffered a serious injury. His left shoulder was dislocated just before the Fredricksburg game in 1946.

He played sensational ball Saturday night in San Antonio against Burbank. He is in a local hospital under treatment. Doctors have told Coach Leo Jackson that Bob may be out for 4 weeks. The schedule will be an advantage to him and to the team. Caldwell is not due to extend the Yoemen. Then Brenham comes here on September 24 and the first conference game will be with Georgetown there and the Eagles do not appear to be very strong. That will be on October 1. The Yoemen have an open date on October 8 and next is the Taylor game there.

Wendall Mitchell, normally a guard will be shifted over to the right end.

MEXICAN COMMITTEE

(continued from page one)
Mexican Commission; Teodoro M. Cruz, Treasurer of the Honorary Mexican Commission and also of the Patriotic Mexican Committee, and Victor M. Bermudez, Secretary of the Patriotic Mexican Committee.

In expressing their thanks for the co-operation and aid of the people here the Committee Members requested especial thanks to be expressed to the people who live in the immediate neighborhood of the platform and grounds recently purchased.

The Mexican people here have just concluded their Annual Celebration which was very successful.

"Please say to all the people that we are most happy over the success of our celebration and the co-operation and help of the citizens of Cameron, and we feel that we will be able to accomplish much in the future. We are especially grateful for the financial aid given us and we are deeply appreciative of the "fine relationship all our people bear toward the other" said Bermudez.

The Good neighbor Policy in Cameron has attracted state wide attention and in the dedication ceremonies here high state officials and members of the Texas Good Neighbor Commission took part.

Pfc. Louis E. Zedlitz is now stationed in Shemya, Alaska, and is very pleased, with the country. He flew to Shemya from Adak Island aboard a C-47 plane.

Clyde Dodson, son of Mr. and Mrs. Nolan Dodson returned to Schreiner Institute this week where he will enter school as a sophomore. Mr. Dodson has been employed in Victoria during the summer months.

AN OPEN LETTER

I was amazed and surprised when I read in the Midget that 6 women from the churches of Cameron had written a letter protesting about the methods that were going to be used at the Lions carnival to raise money.

Such protests as these are one of the main reasons why Cameron has no amusement or recreation center for the young folks. Hadn't you rather your children would be in a recreation center properly chaperoned than in honky tonks or parked on side roads in cars?

I attended the Lions Carnival last year and enjoyed it very much. I see no harm in bingo, country store or guessing how many grains of corn a rooster will eat in a minute. Of course you take a chance when you take part in these games and only one can win in each game, but have you ever been in a Sunday School or Church contest? Somebody or some class lost there too. I am sure many who read this have been in contest in church where the classes having most in attendance or the person reading the most Bible verses were given a prize of a Bible? As for as I can see a game of chance is a game of chance whether in church, bridge club, or Lions club.

I do not know who the women were that wrote that letter to the Lions club but it seems to me if they call that gambling, they have a lot of cleaning up to do in Cameron. There are marble machines all over Cameron as well as punch boards. Almost all clubs give prizes and I'm just wondering if those same women have tver bought a chance on a cake when cake walks were being given by the clubs and schools to raise money. If they are calling a spade a spade thats gambling too.

I would certainly hate to think some child was deprived of glasses, dental care or tonsil operation because I protested against the harmless method used by the Lions Club to raise money. Surely ever person in Cameron knows the Lions club uses the money derived from its carnival each year to buy glasses and other things for children whose parents are unable to afford such.

Instead of trying to find fault with people who are trying to do good, we should be trying to do a little good in this town of ours. Certainly we have plenty we could do. Why not hunt out some dishes you never use, some extra sheets, pillow cases, clothes, towels, wash rags, even some canned stuff you store away and never use and take it to the County Farm. Those people need and would appreciate it and I am sure God would forgive you for any sins that you might commit in playing bingo or country store at the Lions carnival (if you consider such games a sin).

Too many people in this world swallow a camel and strangle on a gnat. If we try to find the good among people in this world we wouldn't have time to find so much wrong with people. I think this world would be a better place if we all tried to live the Home Demonstration Club prayer which is as follows: Help me O Lord to live so that the world may be a better place because thou didst make me.

MRS. JAMES ELROD,
Route 3 Cameron

THOMAS B. LOVE IS DEAD AT DALLAS HOME

Thomas B. Love, widely known Texas political figure for a quarter century, died Friday night at his home in Dallas.

Mr. Love, a dry leader, figured in the colorful political battles during the reign of the late James E. Ferguson. Although he was never able to win he nevertheless was a power in Texas politics.

Mr. Love served as Assistant Secretary of the Treasury under President Woodrow Wilson. In recent years due to advanced age he had lived in virtual retirement in Dallas.

Funeral services were pending early Saturday but were due to be held there sometime Sunday.

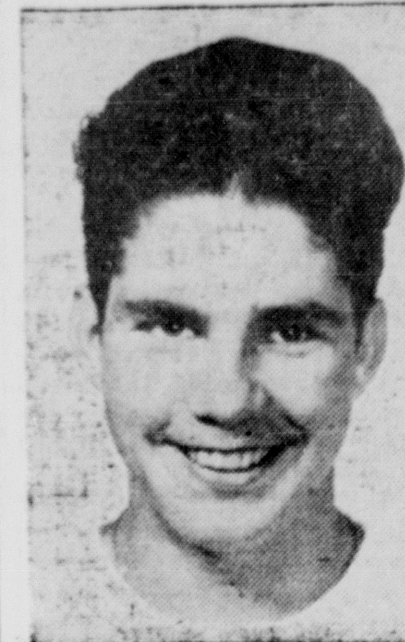

NOTICE TO PATRONS OF ADA HENDERSON

Patrons of Ada Henderson School are reminded that the Home Room Period does not begin until 9:15 a. m. at that time teachers are on duty in their respective rooms to care for their pupils.

Pupils are asked not to come on the school ground before 8:15. The tardy bell will ring at 8:30. Principal, C. L. Canady asks that parents cooperate in carrying out this schedule.

Pfc. Robert Deen of Milano has qualified as a Water Safety instructor when he completed an American Red Cross Training Course held in Sendai, Japan where he is stationed. Eligibility for training was based on previous swimming experience, teaching and leadership. Pfc. Deen is with the 11th Airborne Division.

All District Tackle

ROBERT ZOTT Tackle

Robert Zott came into the line late in the 1947 season and just about convinced everybody he was the up and coming standout in Yoemen history. This year he is the No. 1 candidate for all district honors at Right Tackle. He weighs 195 pounds and is every inch a football lineman. His performance in the Burbank and Caldwell games stamps him one of the all time great tackles. It is no secret that Coach Dick Young depends strongly on his anchor in the line.

Mr. and Mrs. Guy Rivers recently moved to Cameron where they will make their home. They have purchased the Ray Westbrook home in the East part of the city. Mr. Rivers is connected with Mortons Foods. His parents, Mr. and Mrs. Will Rivers also live in the Rivers home. They have three children, two boys and a girl. Cameron extends a warm welcome to the Rivers family.

Mr. and Mrs. Thomas J. Hickerson of Rosebud spent Sunday with Mr. and Mrs. S. A. Cottle.

David F. Scott, who is employed at Luling spent the week end with his mother, Mrs. Eunice Scott.

J. A. JUNGMANN DIED HERE LATE SUNDAY

J. A. Jungmann, widely known resident in the Fuchs community for the past 58 years, died at 8:15 p. m. in St. Edwards Hospital Sunday, September 19.

Mr. Jungmann became ill only a few few days ago. He was taken to the hospital for treatment. His death was a shock to many here and in the community in which he had lived for over a half century.

Funeral services were to be held at 2 p. m. Tuesday, Septembr 21 at the family residence in the Fuchs community by Rev. John Striepe, pastor of Hope Lutheran Church of Buckholts, with services later at the church in Buckholts and interment in the Lutheran Cemetery in Buckholts with the Green Funeral Home in Cameron directing arrangements.

Mr. Jungmann was a successful farmer and stockman of the Fuchs Community and was one of the founders of the Buckholts State Bank and was vice president of the bank at the time of his death.

Surviving are seven children, 2 daughters and 5 sons. Mrs. Erna Randamann of Cameron, Mrs. Edna Hanke of Buckholts, John Jungmann, Herbert Jungmann, Arnold Jungmann and Robert Jungmann, all of Buckholts and Ervin Jungmann of Bishop.

Mrs. Jungmann died in 1945. Mr. Jungmann is also survived by three sisters and seven brothers.

Mr. and Mrs. E. L. Burnett and son of Houston spent Labor Day with his sister, Mrs. R. K. Anderson at the Right Hotel.

Cpl. Steve J. Mueck, 19, son of Mr. and Mrs. Steve Mueck, Route 1, Box 213, Cameron, has reported to Keesler School. Keesler Field is one of the Bases of the Technical Division, Air Training Command, and is also the home of the Airplane and Engine Mechanics School and the Air Chemical School.

Cecil Mode and Mrs. Julia Scarborough spent Sunday afternoon visiting his daughter at Camp Hood.

Triangle In Belt Leads to Cutting; Negro Woman Jailed

Domestic clouds rolled over the black belt last night.

Ella Mae Joshua found her husband in company with Lucille William and a cutting spree ensued. The wounded woman is in Newton Memorial Hospital with arm and wrist cuts.

Joshua was placed in jail and a charge of aggravated assault may be filed, according to Sheriff C. Black who was called to the scene of the disturbance about midnight.

The negroes in that section of the belt were enjoying a dance. The dance hall is located on West 15th Street.

Mr. and Mrs. W. A. Doyle of Rhode Island left for Pensicola, Florida this week to make their home, after spending their vacation in the J. E. Chandler home in Cameron.

Rockdale Has Two Women Members on 2 Party Committees

The City of Rockdale for the next two years will enjoy unique distinction by being afforded a place each on the State Democratic Executive Committee and the State Republican Committee.

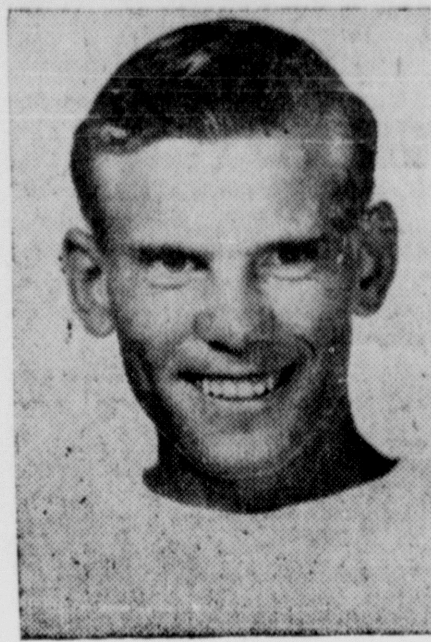

This unusual honor for the city was called to the attention of The Herald by E. H. Coffield of Cameron.

Miss Nettie Turner of Rockdale is a member of the Republican State Committee for the 13th Senatorial District and Mrs. N. E. Alford is a member of the State Democratic Committee.

Miss Turner, a member of the Rockdale faculty for a number of years, has been a member of the State Republican Committee for some time.

Mrs. Alford was named to the Democratic State Committee at the recent State Convention held in Fort Worth.

They Don't Circle Him!

OLIN ARMSTRONG
Right End

Armstrong is one of the very good reasons why the Yoemen are getting good line play. In his first two tries as a first string right end he has set the coaching staff at ease on that position. A Caldwell boy Friday night was heard to remark: "I give up." He had tried to circle the Cameron right end all night. Armstrong also was a star in the Burbank game in San Antonio.

SCHOOL BOARD HERE STATES ITS POSITION

The Cameron School Board through Superintendent W. T. Hanes has clarified the radio broadcast situation here.

Mr. Hanes has dispatched a letter to Jim Hargrove of the Temple Radio Station. The school board built a press box for the newspaper men who cover the games here and since the accommodations of the press room on the south stands are limited the board, out of deference to the press has given newspapers first call on those facilities.

Here is the letter Mr. Hanes has written to state the position of the School Board:

"Rumor here is that you contemplate broadcasting some of the home games of the Cameron Yoemen this year. Since we have had no specific arrangements by you for this service and since I do not know what your plans might be except by hearsay, I thought that in order that there be no misunderstanding you should know what the Cameron school board reaction is to the broadcast of games from the Yoe high school field.

"There is no special desire on their part for the games to be broadcast. However, they have reluctantly agreed that if a local sponsor wants to have the games broadcast they will not refuse such request. However, our press box in the stadium was built solely for the local newspaper men and their visiting newspaper friends who might wish to visit our field from time to time. The box was not built to accommodate a large number such as is required for broadcasts of games. Therefore, it will not be available for the broadcast of games except those rare times when the school itself might wish to purchase time for a broadcast.

"The school will not assume any responsibility for any special hook ups or additional expense or labor for getting ready for the broadcast of games. If any local sponsor along with the broadcasting company wants to do this work it will be permitted provided it does not interfere with the work of our local announcer and with our press box.

"Mr. Hargrove, it has always been my policy to have as good an understanding as possible and thus avoid a misunderstanding at some later date, when any school problem arises. That is my sole motive in writing you this letter. I sincerely trust that you will understand and that you will accept it in the same friendly spirit that it is written.

"Assuring you of our friendship and appreciation for all favors shown us by the Temple radio and newspapers, I am,

Sincerely,
W. T. HANES,
Supt. Cameron Schools"

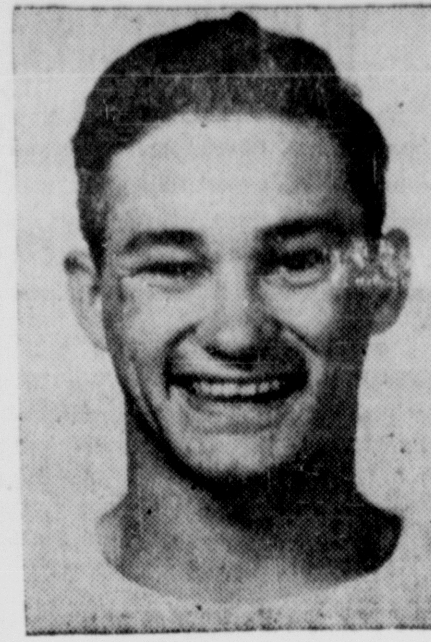

Mr. and Mrs. T. C. Turnham of Long Beach California have concluded a two week visit in the home of his mother, Mr. and Mrs. C. M. Pierce.

GRADY ALLEN
Right Guard

Living up to predictions in every sense Grady Allen is making one of the best linemen in years. Some of the best remembered men in Yoemen history are linemen and played guard position. So far as anyone has observed Allen has not been taken out of any play this fall. Friday night in Caldwell he was terrific as usual and sparked the right side of the line.

WILLIAM B. WALDEN IS BURIED MONDAY

William B. Walden, 79, died at his home in Cameron at 7:00 a. m. Sunday morning, September 19.

Mr. Walden had not been in good health for some time but his death was unexpected and news of his death was a severe shock to his family and to friends.

Mr. Walden had lived in the city for the past 5 years and had lived in Milam county for the past 56 years. He had engaged in farming when he was a younger man. He was a member of the First Baptist church in Cameron.

Funeral services were held at 3 p. m. Monday, September 20 from the Chapel of the Green Funeral Home in Cameron with Rev. L. L. Morris, pastor of First Baptist Church, conducting. Interment was made in the cemetery at Liberty.

Surviving are his widow and three sons as follows: Cecil Walden of Temple, Arizona; Cass Walden of Houston and Forrest Walden of Pueblo, Colorado. One half brother, Ingram Walden survives and resides in Summer Shade, Kentucky.

Mr. and Mrs. Lee Fuller enjoyed a week end visit with their children from Houston.

COURT HEARS PLEAS FOR IMPROVEMENTS

(From the Daily)

Some 25 citizens of Milam county were in the court room Thursday morning to protest conditions at the Milam County Poor Farm and to ask the court to remedy those conditions.

Mrs. W. O. Triggs of Cameron presented the petitions and commented at length on the conditions now prevailing at the farm. One petition was signed by citizens at large and another petition was presented coming from the Disabled Veterans, the Sam Tyson Post.

Mrs. Triggs told the court that the conditions under which inmates at the farm are now living are very bad and suggested that a portion of the acreage be sold by the county and the proceeds be used to repair or construct buildings and to provide a system of sanitation.

A number of citizens commented on the conditions and pointed questions were asked, one regarding the policy of the county on medical attention and care for the inmates through the Public Health officer.

The court informed the petitioners and the delegation that the matter of doing something to relieve the conditions would have to be taken under advisement. The court would take no action at its meeting Thursday but it was indicated a conference would be held.

Chances were nothing would be done.

Mrs. Homer Allen asked the court if there were not something that could be done to repair the home and to

provide sanitation. There are no sewer lines to the farm or its buildings. She also inquired about how much she could spend on the farm each month and suggested that anything purchased should be done with a requisition signed by her or Mr. Allen, since they are managers. There was no immediate answer to these questions, other than the budget is already made up and adopted.

Among those who appeared were a number of women leaders, from all sections of the county and some 10 men from several sections of the county. The petition from citizens bore a large number of signatures.

Previous requests for relief made to the court have brought no response, Mrs. Allen said.

It was believed the court was impressed with the need to do something. However, in the aftermath of the protest, the matter may remain in conference. The Court may well deny any relief now on the grounds that the budget is made. That the budget should have taken into consideration this dire need, everyone seemed willing to agree. In the meantime 10 inmates of the Prison for the Poor may have to spend the winter under deplorable circumstances.

Cameron Man Charged In Rockdale Affray; Landis In Hospital

(Rockdale Reporter)

C. H. Landis, 71, former Rockdale night watchman, is in a serious condition in a Marlin hospital, while Claude Robinson, of Cameron, has been released on bond after charges were filed in the court of Justice E. G. Crane, the result of a fight on the street here at 4 p. m. Tuesday.

Landis was taken to the Marlin hospital in an unconscious condition. Robinson is charged on the docket in justice court with fighting and disturbing the peace, but Justice Crane says court action is being held up pending the condition of Landis.

The incident occurred on South Main street in front of the Bus Terminal Cafe. Landis suffered a badly broken nose, broken jaw, and other severe injuries, it is reported.

Mrs. Henry McLane who has been a patient at Kings Daughters Hospital in Temple for the past week will undergo a major mastoid operation Tuesday morning at 9 a. m. She has been given a number of blood transfusions in preparation for the operation. Her many friends regret to learn of her illness.

Marie Crouch is spending a two weeks visit with relatives and friends in Houston.

MEDIATOR IS SHOT IN OLD JERUSALEM

(From the Daily)

Count Folke Bernadotte, United Nations mediator for Palestine, was assassinated by four men in Jewish uniforms in Jerusalem yesterday (Friday). A French aid also was slain.

The Swedish count was shot down in Jewish territory while on an official inspection of truce conditions in the "trigger-happy" city. He had gone into the Holy City despite an anonymous warning that he would be fired upon. Even after a sniper's bullet punctured a tire on his automobile, he told aides:

"We will not be frightened."

Bernadotte and Col. Andre Serot, French officer and senior U. N. observed in Jerusalem, were shot down at point blank range with a sten gun.

U. S. Consul John J. McDonald in Jerusalem and Bernadotte and his aide were ambushed "presumably

by the stern gang". American authorities expressed fears that the slaying might lead to new violence in the Holy Land.

The 53-year-old Count, a nephew of King Gustaf of Sweden, had just capped four months of mediation efforts in Palestine with a report to the U. N. general assembly. The security council was called into emergency session in Paris today to hear a report on the assassinations. U. N. officials ordered an immediate investigation.

Both Jews and Arabs disagreed with Bernadotte's actions at times in the Palestine mediation, but he commanded the respect of both sides.

SON TO THE GALLIERS

Mr. and Mrs. R. C. Gallier of Maysfield are the proud parents of a nine pound and eight ounce boy born September 14, 1948 at St. Edwards Hospital. They named him R. C. Gallier, Jr., Mrs. Gallier will be remembered as Miss Lillian Tepera.

Johnnie Gelner of Route 1, Cameron is among the patients in Newton Memorial Hospital.

BEN HATTERMAN DIED WEDNESDAY AT SHARPE

Ben Hatterman, 90, died at the home of his grand son, Preston Schwarz at Sharpe Wednesday, September 15 at 8:30 o'clock.

Mr. Hatterman had been in declining health for the past few months. He was a member of the Lutheran Church and had lived in the Sharpe community for the past 45 years.

Funeral services were to be held Friday, September 17 at 3 p. m. at the Green Funeral Home chapel in Cameron and interment in the Sharpe cemetery.

One daughter Mrs. Nora Schwarz survives at Sharpe; three brothers Albert, Garrett and Fritz Hatterman of Fayette county and one sister Mrs. Ted Ondrej also of Fayette county.

First Methodist Church announces the dates for the Fall Revival: October 11-24, under the leadership of Reverend P. Raymond Powers of Akron, Ohio.

Mrs. Syd Stidham and daughter of Houston and their children were week end guests of Mrs. India Stidham, and while here visited relatives in Temple.

Frank Skale of Rosebud visited in Cameron recently.

CITY WILL BE ASKED TO OK RAISE HERE

Declaring that it is losing \$1,930 a month in Cameron, the Southwestern Bell Telephone Company announced today that it is asking the City Council for approval of an increase in telephone rates here, made necessary by the rising costs of furnishing telephone service.

In announcing the request for revised rates, C. L. Carson, Manager, said that during the last few years the company has failed to take in enough money here to pay for its operating costs in Cameron.

The proposed new rates represent an increase of \$1.50 a month for business telephones, 50 cents a month for residence straight-line telephone users, and 25 cents a month more for party lines.

During the last six months of 1947, the company collected \$19,366 here, Carson said, but costs of furnishing service were \$30,955. The company failed by \$11,589—about \$1,930 a

month—to collect enough revenue to pay the actual costs of providing telephone service in Cameron with no return at all on its investment.

The continuing upward trend of payrolls and other costs of furnishing service make it necessary that telephone rates be adjusted to help offset the losses sustained here by the company.

Telephone payrolls, the biggest single item in the cost of operating the exchange here, have increased sharply in recent years, the manager said. Last year, the monthly payroll in Cameron was more than three times as high as in 1941. This is due to higher wage rates and to the larger number of employees required to handle the greater volume of calls.

Present telephone rates were established 27 years ago, when Cameron had less than 750 telephones as compared with 1,475 today.

"With more than 50 families and business concerns waiting for telephones, we are faced with the problem of enlarging the telephone system here at a time when costs are at

Set For Big Year

MELROY EIXMAN

Tackle

Melroy enjoys two distinctions as a member of the 1948 Yoemen team. He weighs 200 pounds and is the largest member of the team. He plays left tackle and is doing such a good job line play is a stand out performance under Coach Dick Young. He has another season or two to play and should become an all time great in the line. The big blond tackle has distinguished himself in two games already and will be sparking the line Friday night against Brenham.

the highest level in history", Carson said.

An extensive program to improve and expand telephone service is planned for 1948 and 1949, the manager said.

The program includes installation of two more sections of local switchboard and 200 additional subscribers lines in the central office here, expansion of the network of cable and wire in all sections of the city, construction of rural facilities as soon as lines and cables available to provide telephone service for 150 more families living on farms and in nearby communities.

Four additional long distance circuits should help Cameron's calls to other cities. Two of these, from Cameron to Austin already are in operation. Two additional direct circuits are scheduled to be added before the end of the year, one to Houston and one to Dallas.

"We are proud that we have been able to enlarge Cameron's telephone system to provide nearly twice as many telephones without increasing rates which were established in 1920" Carson said. "Now, however, costs of furnishing telephone service have risen so rapidly that the only solution is a reasonable increase in rates".

MISS FAY BROGDON IS BURIED AT QUITMAN

Miss Bill Fay Brogdon, typing and Shorthand teacher in Poly High school, Fort Worth for the past 20 years died at St. Joseph Hospital, September 16, 1948 after a two month illness.

Miss Brogdon was a member of the Eastern Star, Phi Eta Sorority and American Association of University Women. She was educated at Baylor University where she received her B. A. Degree and at the University of Chicago where she received her M. A. Degree. She also attended the Columbia University Southern California and the University of California. At the time of her death she was working on her PHD. Miss Brogdon traveled extensively in Europe, Alaska, Mexico and South America. She was a member of the Baptist Church.

Among her survivors are three sisters; Mrs. Zolly Corley of Ft. Worth, Mrs. Eva Drew of Pittsburg (Camp County) and Mrs. Sallie Williams of Winnsboro, and two brothers, S. E. Brogdon of Cameron and J. B. Brogdon of Quitman.

Funeral services were conducted at the grave near Quitman where burial was made on Friday at 4 p. m. with Rev. Townsend, Baptist minister officiating.

Refrigeration Here Gets Repair Service

Ralph Koepf has established a refrigeration repair service on all types of units. He is conducting this service from his home here and in addition is selling Frigidaire Commercial Refrigeration units from the Culpepper store.

Mr. Koepf is an expert and this new service will be welcomed by home owners in city and county.

Mrs. Nolan Dodson has returned home after spending several days with her husband, who is a patient in Scott & White Hospital.

Mr. and Mrs. Rex Bartlett and daughter who have been living in Minerva recently moved to Rockdale, where they will make their home. Mr. Bartlett is now employed with the United States Post office in Rockdale.

YOEMEN STRIKE HARD AFTER A SLOW START

Getting away to a slow start and then coming to life in the second quarter the Yoemen beat the Caldwell Hornets 27 to 0 in Caldwell Friday night.

Doped to move about in a depression following their Burbank game and sustaining the loss of their left end, Bobby Wilkinson, the Yoemen got hep to every trick in the bag and swept up and down the field like champions.

The Hornets played almost the entire first quarter around the Cameron goal line. John Matula got a punt blocked and the Hornets recovered on the Cameron 20 and then went down with the aid of a penalty to the one yard line. There the Yoemen line, all standouts in the hectic night of play, saved the game.

Howard Beale, the workhorse of the backfield, who plays tackle on defense, sparked the offensive play for the night with generous outcropping of brilliance from the two Johns in the half positions.

Beale got away once for 65 yards and was hauled down on the 5 yard line only to be called back. Little John Moseley scampered 80 yards for a touchdown and was called back.

Wesley Braden making his second appearance in the backfield chalked up two good runs one for 30 and one for 25.

John Matula, right half back, scored the first touchdown. It came after a sustained drive of 80 yards. He took the ball over from the 20 yard line and Zotz added the extra point. The half ended 7 to 0.

In the third quarter John Matula after a sustained drive down the field slashed over from the 5 and Zotz added the extra and it was 14 to 0.

Again the Yoemen put on a sustained drive and Moseley carried over

THE CAMERON HERALD

SEPTEMBER 23, 1948

from the five. Zotz missed his only try for extra of the evening, getting three out of four.

Howard Beale in the opening minutes of the fourth quarter toted the skin for 46 yards and a touchdown to end the scoring for the night. Zotz converted.

Standouts in the line were Olin Armstrong, Grady Allen, Gordon Gibson at Center. Wendall Mitchell subbing for Bob Wilkinson who has an injured shoulder played a good game at right end.

Joe Charles Willingham of Milano is in Austin, where he is in school and will study Business Administration.

Jesse Wendall Kirk Injured Near School

Jesse Wendall Kirk was painfully injured at noon Thursday as he made to cross the street near the school where he was returning after lunch.

The car driven by Neal Beale struck Jesse Wendall who was thrown several feet away from the spot of the impact. His head and neck were bruised.

Patrolman Higginbotham investigated the accident. There were a number of witnesses.

75 MILE WINDS ARE WHIPPING IN RAIN

(From the Daily)

The Gulf hurricane had struck Miami, Florida at noon Tuesday and 75 miles an hour winds were whipping in torrential rains.

Storm warnings were spread along the coastline and it was expected that Texas would feel some effects of the blow.

If the storm should turn north it would sweep up the mainland of Florida. If it sweeps westward Louisiana and Texas will be in its path although diminishing force would tame it considerably.

Rain could come to East Texas from the storm.

A cold air mass was backing up out of the Panhandle Tuesday. A low pressure area had developed in the Dakota's and was pulling the cold air back. It was cooler in the Texas Panhandle but not likely to affect the temperature in this area. For the next 24 hours the weather may be cloudy and rain was not unexpected.

Emmett McGuire Is Manager at Haley's

Emmett (Mickey) McGuire is the new manager at the Haley Dry Goods Store in Cameron.

Frank M. Haley of Rockdale, owner of the store, was in Cameron Tuesday and announced that Mr. McGuire is to manage the store. The Haley store was established here about 3 years ago.

Mr. McGuire has been with the Haley organization for some time. Cameron extends him a warm welcome.

Court Asks Herald To Clarify Paragraph About The Budget

The presence of the Herald Publisher was requested in Commissioners Court late Thursday.

The Court wanted a correction made in the news story printed in yesterday's edition. Figures were used in the wrong connection.

A paragraph in the news story quoted Judge Dan Tyson as saying certain items of expenditure and listed by name, were included in the budget for next year. This was an error.

The figures were erroneously printed. They relate to items already accounted for in expenditures this year and have nothing to do with the next budget. The Herald, so the publisher was told, made an error also in quoting Judge Tyson. It seems the judge did not say anything, it was emphasized by Commissioner Raney of Buckholts.

County Auditor Conn R. Isaacs was reading a list of expenditures already made and in the confusion of reporting these items were listed as being in the budget for next year.

This newspaper is always willing to correct its own mistakes.

Dwight Price, Jr. left Wednesday of this week to enter the Army Air Force. He will be stationed in San Antonio where he will study air plane engines. Dwight graduated from Yoe High School in 1946. Before entering the Army Air Force he held a position with Duke and Ayres Store in Cameron. He is the son of Mr. and Mrs. Dwight Price, Sr.

Mrs. Lee Braun of Milano is spending a two week visit in Dallas with relatives and friends.

Coke Gets Order to Prevent Johnson Going on Ballot

The latest development in the Senatorial Fiasco in Texas is an injunction restraining Secretary of State Paul Brown from certifying the name of Lyndon Johnson to the November ballot.

The injunction was obtained in federal court in Fort Worth. A hearing will be held on Tuesday.

The ballot for the November election was due to be received in each of the counties for printing

Friends will regret to learn that Earnest Kahler, Sr. has been ill for the past week and is a patient at St. Edwards Hospital.

Mrs. H. M. Timmons of Milano has returned to her home after spending three weeks with her daughter, Mrs. Craig in Louisiana.

That Something EXTRA!

Yes, there is a difference in newspapers. That EXTRA quality in news reporting you find in The Herald is one reason why its circulation is large, and THE reason that so many have been reading it for years.

Just good reporting is not enough. The Herald does and say things. No newspaper is worth its salt that never gets around to expressing an opinion, informing the people or warning them of things to come. No story in the long history of this old newspaper has ever been written on a cash register.

Tell your neighbor he can now subscribe for The Herald. We are taking on new readers after months of delay.

Miss Hattie Braden And Allen D. Wood Wed in San Antonio

Miss Hattie Mae Braden, daughter of Mr. and Mrs. F. J. Braden of Cameron, became the bride of Alden D. Wood, son of Mr. and Mrs. Willie Wood of San Antonio, recently in the Travis Park Methodist church at San Antonio.

Dr. Albert Skirkey performed the double ring ceremony before an altar arrangement of gladioli and fern in tall baskets.

Mrs. Harry Leap of San Antonio played the traditional wedding music and was accompanied by Miss Peannie Blank, who sang "Through the Years" and "Because".

The bride wore a gown of white

slipper satin designed with a Cathedral length train and finger tip veil. She carried a small white Bible topped with a white orchid.

Mrs. Mitzie Barnett of San Antonio was matron of honor.

The flower girl was Miss Joan Chitwood of San Antonio, a niece of the bride. Bridesmaids were Miss Mary Helen Braden and Miss Pearl Reynolds.

Best man was Alvin G. Barnett of San Antonio. George B. Myers was groomsmen, and Bennie Gene Reynolds was ringbearer.

Emmett Breiger and James William served as ushers.

The bride's mother wore a grey dress with a white carnation corsage.

The groom's mother wore blue with a white carnation corsage.

Following the wedding a reception was held at the Manor Tea Room in San Antonio.

Shortly after the reception the couple left for a wedding trip to Galveston, New Orleans and Kissimmell, Florida. They will make their home at 1706 San Francisco Ave in San Antonio.

Mrs. Woods is a graduate of Cameron high school and attended Trinity University in San Antonio.

Mr. Wood graduated from San Antonio Vocational and Technical high school. He attended SMU, and also served in the Navy.

Evelyn Jane Boyd And John Weidner Married September 8

Miss Evelyn Jane Boyd and John William Weidner both of Oakland, California were united in marriage September 8, 1948, at five o'clock in the afternoon, at First Presbyterian Church, Cameron. Rev. L. Lemons, pastor First Methodist Church read the double ring ceremony before an altar decorated with standard baskets of pink gladiolas. The rites were performed in the presence of the family and relatives.

The bride was dressed in a soft blue crepe and lace combination street length frock with brown accessories. She wore an off the face hat with a corsage of white carnations. Her only jewelry was a pair of pearl earrings, a gift from the groom.

Mr. and Mrs. William Ogden attended the bride and groom. Mrs. Ogden was dressed in black crepe with grey and black accessories, and a red carnation corsage.

Immediately following the ceremony the group enjoyed a dinner at Cato's.

After spending two days with the bride's parents, Mr. and Mrs. William W. Boyd, the couple returned to Oakland, California by plane where they will make their home.

Mrs. Alice Steele of Jackson, Miss. has been visiting her cousin, Joe Denson and family the past week end. She also visited with Mrs. Watt Skinner, and husband in Rogers while here.

Sand Grove Couple Celebrate Golden Wedding September 14

Mr. and Mrs. R. W. Wilson of Milano in the Sand Grove Community celebrated their golden wedding anniversary on Tuesday, September 14, 1948.

During the afternoon their four children and their families along with friends of the family gathered at the Wilson home and surprised them with gifts and congratulations. They also carried refreshments of cake and punch which was served during the afternoon.

Mrs. Wilson is a native Texan, having been born at the place she now resides and has lived there all her life. Mr. Wilson came to Texas from Mississippi at the age of two years, and has lived in and near Sand Grove Community all these years.

Mr. and Mrs. Wilson were married in the year 1898, at the home of R. J. Sloan, who is a cousin of Mrs. Wilson.

They are the parents of four children, seven grand children and one great grand child.

Those present for the occasion were: Mr. and Mrs. C. M. Wilson, Sr. of Rosebud, Mr. and Mrs. A. W. Wilson of Cameron, Mr. and Mrs. L. C. Angell and Mr. and Mrs. E. L. Henning and daughter, patsy of Rockdale, also a grand son and wife, Mr. and Mrs. Nathan Wilson who were accompanied by little Marilyn Haley of Rockdale, Mr. and Mrs. G. A. Hanby of Normangee also attended.

Eastern Star Here Honors Mrs. Sanders

Officers and members of the Cameron Order of the Eastern Star met for a practice and study session and to honor the Worthy Matron, Mrs. Alva Sanders with a surprise birthday party Monday night.

Many lovely gifts were presented to the honoree.

Punch, cookies and open-face sandwiches were served by the following hostesses; Mesdames W. E. Kuehl, Guy Chandler and J. R. Poole.

FATEFUL CONFERENCE IS DUE IN PARIS

Secretary of State Marshall flew to Paris today for a crucial United Nations meeting, pledging "we will do our best" in what he called "an unusually critical world situation."

"I hope the discussions there will bring us toward a more peaceful world, but hope alone is not enough," he said.

Marshall took off from the Washington airport at 12:10 p. m. EST in President Truman's personal plane, the Independence. He came to the airport directly from three hours of work at the State department, where he went over the latest reply from Foreign Minister Molotov of Russia on the Berlin blockade crisis.

Molotov met with the Western envoys in Moscow yesterday. The impression among top diplomatic officials here was that Molotov has not agreed to direct the Russian military commander in Berlin to negotiate for the end of the Russian blockade of the city, in line with previous Russian commitments. On the other hand, it appeared that Moscow had not closed the door finally on blockade negotiations.

There was still speculation that the Russians might try for direct talks in Paris with the British, American and French ministers on the Berlin crisis, outside the formal U. N. program. However, an aide of Marshall reported that no arrangements have been made for a foreign ministers meeting.

Marshall was accompanied by Mrs. Marshall.

Bernard M. Baruch, "elder statesman" of the past several presidential administrations, Secretary of the Treasury John W. Snyder and Undersecretary of State Robert Lovett were at the airfield to see Marshall and his party depart.

Others in the Paris party included State department Counselor Charles E. Bohlen, Marshall's top Russian expert; Mrs. Bohlen, and Frederick Reinhardt, another Russian adviser and chief of the State department's Far Eastern division.

Meanwhile, the United States, Britain and France began consulting today on what move they should make next. There was a slight possibility they would decide that further negotiations with the Russians were useless and would blow the lid off the talks thus far held, preliminary to a showdown in the United Nations.

But most informed persons believe their decision would favor continuing talking with the Russians as long as there is any chance of ending the blockade.

Mr. and Mrs. E. W. Goldforb spent the week end in Waco and returned to Marak where they attended the annual picnic Sunday afternoon.

Chiropractors Hold Meeting in Cameron

Central Texas Chiropractic Society meeting was held at the office of Dr. W. H. Cypert in Cameron Monday night, September 13.

Dr. Chas. C. Lemly of Waco made an informal talk on the history of Chiropractic in Texas. He will be host at the next meeting. Dr. T. L. Jones of Rockdale and Dr. Vernon Lofton of Caldwell attended.

Refreshments were furnished by Dr. Cypert.

Nolan Dodson, who underwent a major operation at Scott & White Hospital last Thursday is reported to be improving nicely. Mr. Dodson is Shop Foreman at the John Muse Motor Company. His room number at the hospital is West 275.

Alex Fussell of Burlington transacted business in Cameron one day this week.

Milam Farm Bureau Members Entertain

The Milam County Farm Bureau was host to its members and families at a basket picnic, ice cream supper, and community party at the National Hall in Cameron last Thursday.

S. W. McClaren, Jr., president, introduced the Milam county Farm Bureau queen, Miss Rita Hanel, daughter of Mr. and Mrs. Frank Hanel of Hoyte. Miss Hanel will enter the district contest to be held in Waco in October.

Following the meal, a community party was held with LeRoy Massengale serving as director.

Mrs. J. Z. Krall and daughter of Yarellton visited in Cameron Thursday.

Friends of Mrs. Mary V. Posey will regret to know that she is ill and is a patient in Newton Memorial Hospital.

OF A BUTANE SUPPLY ESSENTIAL

This is a picture of a 500-gallon capacity tank. It was designed by experts. It is a tank for storing Butane. It belongs to Lone Star Gas Company. Such tanks are installed by the company on customers' premises. In order to have this 500-gallon supply of Butane on his premises the customer does not have to buy the tank. It remains the property of Lone Star Gas Company and is maintained by the company.

NO TANK TO BUY
with this gas service

Without this 500-gallon storage capacity, no user of Butane can be assured of continuous, dependable service. This is why Lone Star, in most all instances, provides customers with a 500-gallon capacity tank. Customers are not required to buy tanks. All that is required is a small installation fee. Remember, with Stargas Service you pay for Butane after you use it in the amount you use just as if you were served by Natural Gas pipe line.

MILAM CO. 4-H BOYS TO HOLD HOG SHOW

Milam County 4-H boys will hold their annual hog show in Cameron on Saturday, September 25, according to J. W. Stufflebume, Jr., County Agent. The show will be held near the old Grammer School Building, and will start at 10:00 a. m. Both breeding and fat hogs will be shown.

Present plans are to exhibit 10 guilts, one boar, and 4 pens of 3 fat barrows. Of particular interest to farmers should be the fat barrow class, as these boys have demonstrated what good feeding, breeding, and management programs will do in developing hogs to market weight. All of the hogs exhibited will be Durocs. The average age will be around 7 months.

The following boys will exhibit hogs at the show: Billie Ray Redd-hase, Ben Arnold; Raymond Stoebner, Ben Arnold; Charles Moraw, Vogel-sang; Carroll Wm. Boecker, Yarell-ton; Ardell Pagel, Yarellton; Bobby Russell, Yarellton; Carroll Jung-mann, Yarellton; Lee Roy and Charles Ray Kohring, Valverde; George Hall Tyson, Maysfield; Mose Whittington, Maysfield; Billy Ray Holloway, Maysfield and Carl Hill of Maysfield.

DAUGHTER TO THE McCLARENS

Mr. and Mrs. Max McClaren are the proud parents of a daughter born at St. Edwards Hospital Sunday, September 19, 1948. The baby weighed five pounds and 15 ounces and has been named, Mary Madeline. Mrs. McClaren is the former, Marjorie Pratt. Both mother and daughter are doing fine.

Mrs. Lee Wallace has returned from Houston where she spent a few days with her sons there.

Mr. and Mrs. Albert Collins visited with his mother, Mrs. Max Collins in Waco Sunday.

LOCAL DEALER DISPLAYS NEW 1949 KAISER CAR

The first extensive model change in an American automobile designed since the war was announced today by Kaiser-Frazer Corp. with the introduction of the 1949 Kaiser Special and DeLuxe sedans. Maysfield Mercantile Co., local dealers, have one of the new cars on display.

Incorporating more than a hundred improvements in styling and mechanical features, the four-door models are in full production at the Willow Run plant and went on display in K-F dealer showrooms throughout the country Monday, September 20.

Edgar F. Kaiser, vice president and general manager, said that engineering and tooling costs involved an expenditure of over \$10,000,000. He described the 1949 models as representing "far more than the auto industry's traditional 'facelifting'."

"The new cars are the result of constant research in the two years since K-F automobiles were first introduced," Mr. Kaiser said. "Since August, 1946, more than 250,000 owners have recorded over two billion miles on our cars. We have put this owner driving experience to work in our engineering departments to develop a better product."

The K-F executive said that the first 1949 model was No. 279,195 in the accumulative grand total of cars turned out by Kaiser-Frazier, fourth largest passenger car produced.

The first of the '49's was produced on August 24, immediately following output of the last 1948 model, he disclosed. Months of tooling and scheduling of parts into the plant were involved in getting the new models on the lines with a minimum loss of production, he said.

Mr. Kaiser cited the following as the major features of the new cars:

1. An increase from 100 to 112 horsepower in the Kaiser DeLuxe six cylinder engine with no loss of fuel economy.

2. Simplified clutch, steering, accelerator, and brake mechanisms. Fifty-two parts have been eliminated through development of an exclusive K-F clutch linkage.

3. A restyled body with a silhouette three inches lower in appearance than in previous models. A new grille, bumpers, fenders, hood and other body panels are among styling changes.

4. Completely redesigned interiors with new instrument panels and a color-styling program of unprecedented variety in the auto industry.

OUR TOWN—

(continued from page one)

nobody to blame but you.

Mr. and Mrs. Homer Allen went to the farm to become managers on February 16, 1947. I was told. There were 10 inmates at that time and still there are 10. At that time, Mr. Isaacs explained the county bought \$125.59 worth of utensils. Other expenditures pointed out since the Allen's have been there are: And we quote: Mattresses \$296.00; lumber \$272.00; clothing \$269.98; wood \$389.29; labor \$269.25 and this included carpenters and cleaning up; disinfecting and cleaning premises \$150.50. There was another item of \$39.88 and these are some of the principal expenditures from the old budget that have nothing to do with the coming budget which has been set at \$5000.00.

Southwestern Bell Telephone Company will ask the City Council in Cameron for an increase in rates.

Patrons of the local exchange have been given a clear picture of the need for an increase in rates. Looking over the carefully prepared chart of the fiscal set up as applied to the Cameron branch of the company it is a matter of appreciating good business methods along with good service to agree that the company is asking very little in view of its losses from local operation.

During the last six months of 1947 the company lost \$11,589. The company in that time spent \$30,955 and took in \$19,366.

Cameron's present phone rates were fixed in 1920. They have not been increased in 27 years. At that time Cameron had 750 telephones. The city now has 1415 and a waiting list of several hundred. Plans are projected for a rural service of 150 users immediately and ultimately 3 times that many. Under construction now are two more local switch boards and 200 new subscribers lines in the central office here. Long distance service is to be expanded. The local exchange will have 4 circuits. Two new ones direct to Houston and Dallas are in the expansion work now in progress.

Southwestern Bell Telephone Company is doing what any other business would do, in fact what every other local business concern has had to do—increase selling prices to meet the inflated prices of doing business.

The people of Cameron would like to see this utility company build an

exchange building here and this may not be too far in the future, although there is no talk officially of this at this time. Cameron does not own any of the utilities, four of them. None of the utilities own their buildings. Cameron people would like to see the attic plant housed in an exchange, such as other cities have. It was a welcome development recently when the exchange rented a down stairs office on North Houston where patrons can pay bills and transact their business. We say, all these things are desirable, but they must not prevail as a reason why rates should not be increased.

This newspaper recognizes the need, in fact is glad to say the Southwestern Bell Telephone Company, has a good case to present. There is no reason why the rate increase should not be granted by the council.

The increase is only 5c a day for business phones and less than 2 cents a day for residence phones—less than one cent a day for party line phones.

Cameron will not adversely regard this request. Twenty-seven years is a long time to maintain the status quo on rates. The telephone company has taken big losses on its local ser-

vice. It is entitled to a fair profit, but even with the increase proposed, it cannot make money on its local exchange operation.

Row Over Ice in Cotton Patch Leads To Stabbing Wednesday

Ice in a cotton patch is an innovation from the days when the jug with a corn cob for a stopper hung from the coupling pole of the wagon.

Ice Wednesday caused a serious fight on the John Lott farm near Yarellton. Two negroes Lonnie Franklin and Lonzo Wesley got into a quarrel when Franklin's wife was accused of taking ice from the Wesley jug.

Franklin was hit on the head with a rock by Wesley and then Franklin stabbed Wesley with a long bladed knife. Wesley was said to be in a serious condition and is in St. Edwards Hospital.

Mr. and Mrs. Charlie Hubnik of Plainview spent this week visiting friends and relatives in Cameron.

Be patient, the Little Daily will be out soon.

MRS. TINEY GREEN TO BE BURIED ON FRIDAY

Mrs. Tinney Green, 76, died at her home in Cameron Wednesday night, September 15 at 8 o'clock. She had been ill for the past few months.

Mrs. Green had been a resident of Cameron for the past 20 years.

Funeral services were due to be held at Liberty church Friday afternoon, September 17 at 2:30 p. m. Rev. Boley will conduct the services and interment will be made in the Liberty Cemetery with the Green Funeral Home directing arrangements.

Surviving are three sons and four daughters as follows: Ned Green and Henry Green of Cameron; Curtis Green of Texas City; Mrs. Schosting of Slidden, Mrs. Bessie Shirley, Mrs. Mindie Noey and Mrs. Iona Treadway of Cameron. Three sisters and one brother survive: Mrs. Mollie McClung of Hillsboro, Mrs. Bessie Parsons of Bynum, and Mrs. Mindie Madison of Texas City and Isaac Bourland of Dallas.

Phone your news items to 282.

Ad Hall School To Opens Monday

Ad Hall school will open the fall term, Monday, September 27, it has been announced by Anton Vybiral, a trustee of the school.

Mr. Vybiral also announced that Mrs. Keith Groppell and Mrs. Vance Werner will teach again this year at Ad Hall.

All students are urged to be present on opening day.

CARD OF THANKS

We want to express our sincere appreciation to all our friends who were so kind and helpful when we lost our beloved husband and father, William B. Walden. We especially wish to thank Dr. Newton for his help and tender care. To those who gave flowers, sent messages or in any way helped us, we are deeply grateful.

The Walden Family.

Guests in the B. F. Bailey home for the past week end were Mrs. A. M. Williams, sister of Mrs. Bailey and her daughters, Mrs. Lucille Wasson and Mrs. Font Talson and husband all from old Independence.
